

REMARKS

Upon entry of the above amendment, claims 1-6, 8, 10-12, 14 and 17-24 will be pending in this application. Claims 1-6, 8, 10, 14 and 17-18 have been amended to recite "a hydrate, solvate, salt, hydrate of a salt or solvate of a salt thereof". Specific basis for this amendment can be found at page 3, 2nd paragraph from the bottom.

Claims 5 and 6 have been further amended to remove the multiple dependencies on claims 1-4. New claims 19-24 have been added to recapture the subject matter contained in claims 5 and 6, which was canceled without prejudice or disclaimer, by virtue of the multiple dependencies contained therein.

Further, several clerical errors have been corrected throughout the claims.

Neither the amendments to the claims nor the addition of new claims 19-24 introduce new matter within the meaning of 35 U.S.C. §132. Accordingly, the Examiner is respectfully requested to enter the above amendment before examination.

If the Examiner has any questions regarding this submission, she is invited to telephone the undersigned attorney.

Respectfully submitted,
